

Salem Metal

Building Supply LLC

Forty (40) Year Limited Warranty

1. We present you with our Valspar WeatherXL™ Siliconized Polyester forty (40) year limited paint warranty. Salem Metal siliconized polyester coil coatings, properly applied to HDG steel (G90+), Zinc-Aluminum Alloy Steel (AZ50+) will meet the following standards:
 - a. For forty (40) years from the date of installation, will not crack, check, or lose adhesion. This does not include minute fracturing which may occur in proper fabrication of the building parts. Failure due to substrate corrosion is excluded.
 - b. For thirty (30) years our side wall panels, from date of installation, will not chalk in excess of ASTM D-4214-98 method D659 a number of eight (8) rating. Our roofing panels will not chalk in excess of ASTM D4214-98 method D659 a number of seven (7) rating.
 - c. Color change is determined by the ASTM D2244-02 method. Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed surface. It is understood that fading or color changes may not be uniform, if the surfaces are not equally exposed to the sun and elements. Our side wall panels will not change color more than five (5) Hunter E units. Our roofing panels will not change color more than six (6) Hunter E units.
2. In case of complaint, you will provide access to us as necessary in determining the exact cause of failure. ASTM and NCCA testing procedures will be used.
3. If Salem Metal siliconized polyester coil coatings fail to comply with our limited warranty, we will pay for labor and materials reasonably necessary to repaint, repair or replace, at our option, the building part showing the failure.
4. Our limited warranty does not apply to circumstances which we do not control, including:
 - a. Fire, other casualty, or physical damage.
 - b. Unusual harmful fumes, foreign substances in the atmosphere, standing water, or salt spray.
 - c. Mis-application of Salem Metal siliconized coil coatings.
 - d. Mis-handled products, any product which has been abused, altered, modified, used in a manner not originally intended.
 - e. Improper storage.
5. This warranty will apply to metal which is coated and used on property located within the United States.
6. We need to make clear that this is our only warranty concerning these siliconized polyester coil coatings. And that we have no other obligations concerning them. So, please read and understand the following: Except for this warranty, we make no warranty or guarantee (express or implied) with respect to the siliconized polyester panels and trims. Implied warranties, fitness and merchantability are excluded. Further, we have no other liability with respect to the siliconized polyester panels and trims, whether based on warranty, negligence, or any other legal theory. For example, we have no liability for consequential damages.
7. This is our complete warranty. It sets out all of our obligations regarding Salem Metal siliconized polyester coil coatings. It is only for your benefit and is not transferable.
